Booklist Review

Adult Books - Fiction - Historical Fiction

The Yellow Emperor's Cure.

Basu, Kunal (author).

Oct. 2011. 320p. Overlook, hardcover, \$25.95 ([9781590207086](#)).

[REVIEW](#). First published [October 15, 2011](#) ([Booklist](#)).

Basu interweaves strands of romance, medicine, and history into a fascinating cross-cultural tapestry. When he learns his beloved father is suffering from a virulent form of syphilis, Portuguese doctor Antonio Maria turns to Eastern medicine in order to find a cure. Traveling to turn-of-the-century China to work with the renowned Doctor Xu, he must immerse himself in Eastern philosophy and master the principle of *qi* before becoming privy to Xu's secrets. Distracted by both the Boxer Rebellion and the beautiful Fumi, he becomes entangled in personalities and events that move far beyond the arenas of science and medicine. Conjuring up an exotic time and place, Basu provides a passport into a vanished world.

— Margaret Flanagan
